

# What does Magna Carta really mean?

Free online course starting 15 June

*'Freedom and protest: Magna Carta and its legacies'* is a free, online course run by the University of London and delivered by staff from Royal Holloway's Department of History with extra guest speakers.

**Study with our world-leading experts and learn about Magna Carta and its legacy in depth.**

Take a fascinating six-week journey through the history of one extraordinary document, exploring its origins and the impact of its legacy today.

Victorian representation  
of the sealing of Magna Carta

**Register today at [coursera.org/course/magnacarta](https://coursera.org/course/magnacarta)**

"I really enjoyed learning from a diverse group of lecturers, while also having the chance to see Runnymede and some of the documents and art that have been referred to during the course."
